

## 2 DAY SAFARI

TARANGIRE  
NGORONGORO CRATER

**O**ur two day safari packs in a lot of world class game viewing in a short period of time. Roam through two of Northern Tanzania's best parks—Tarangire National Park and the one-of-a-kind Ngorongoro Crater—which are sure to satisfy your wildest dreams. Relax and enjoy the ride in our well-maintained Land Cruiser with a roof hatch for up-close game-viewing. Our expert guides will do the rest.

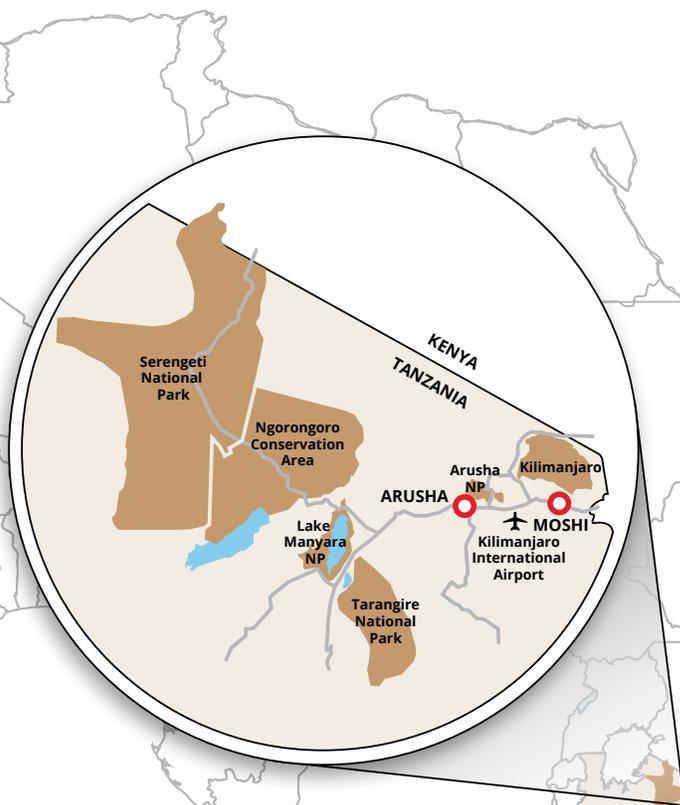

**DAY 1** We depart from your lodge and proceed to **Tarangire National Park**. Tarangire National Park is the sixth largest national park in Tanzania. It is known for its vast herds of elephants. More than 500 species of birds make their home along the banks and in the trees and swamps lining the Tarangire river. They are joined by everything from the nomadic wildebeest, buffalo and waterbuck. Tarangire is also home to baboons, giraffes, and zebra.

Where there are food animals there are sure to be predatory animals close by. Tarangire is home to over 700 lions. They are commonly seen by visitors. There are also rarely seen cheetahs and leopards lurking among the trees and grass.

We continue our game drive until 5 pm, then drive to your lodge and have dinner.

**DAY 2** We visit the largest intact volcanic crater in the world—the breathtaking **Ngorongoro Crater**. It is said that the crater used to be a volcano taller than Mt. Kilimanjaro, but when it erupted the cone collapsed creating the massive crater we see today. It is more than 2,000 feet deep and 11 miles in diameter. The Ngorongoro Crater has one of the largest concentrations of wildlife in Africa. 30,000 animals make their home in this crater, making it an ideal place for sightings of the 'Big 5' - lion, elephant, buffalo, leopard and rhino. This truly world-class attraction is known as the '8th Wonder of the World'. After several hours we depart Ngorongoro Crater for dinner and overnight at our lodge.

With prior arrangement, we can drop you off at Kilimanjaro International Airport (JRO) or we can book you an extra night lodging in Arusha.
